

# 1X 60 BACK RIGGER

Boat: **7.53 m**

Width: **0,28 m**

Athletes: **55 - 70 Kg**

Constructions:

**7 (SCS) - 14 Kg**

## ABOUT THE BOAT

This is our smallest singles model.

Directed for athletes weighing between 55-70 Kg such as lightweight female athletes.

Our design team developed a boat with a flatter hull, with the main goal of keeping it sliding longer and higher, reducing the pitching movements in each stroke. This concept has its peak in the bow, which is inverted, thus decreasing drag with all the previous advantages.

## FITTINGS
